*Zodiac vessels are not suitable for anyone with a history of serious medical conditions, including but not limited to back or neck injuries, recent surgery, and/or current or suspected pregnancy. A minimum height of 120 cm (4 ft) and minimum weight of 23 kg (50 lbs) are required. Children under 7 years of age are not permitted on this activity. A waiver is mandatory prior to boarding this vessel.

- 10 vessels in fleet
- Adventurous and intimate with less than 12 guests per boat
- At water level: Perfect for viewing marine life!
- Available for multiple tour routes such as whale watching, our Sea Vancouver sightseeing trips, and custom itineraries!

It gets cold out on the water (trust us!), so we recommend windbreaker jackets, sweaters, long pants, and closed-toe shoes. It's also a good idea to bring sunglasses, sunscreen, a tight-fitting hat, a camera to capture some memorable moments and, above all, your sense of adventure!
